Timeless elegance

New Garden is a mix of contemporary elegance, distinctive purity and individual modernism that worn out , over time.

Delicate detailing of *New Garden* modern outdoor furniture denotes a finesse that can be compared to that of the finest interior furniture.

International designers are behind a large part of our collection. We select designs which matches the *New Garden* style: simple lines with a unique sense of detail

Simplicity, Innovation & Quality

Discreet luxury: modern but never lacking in purity and refinement, this is New Garden's design ethos. Luxurious and understated modern outdoor furniture, without striking shapes and colors. New Garden is timeless.

Durable quality: New Garden strives for durability and only selects materials of the highest quality. Outdoor furniture has to withstand a great deal more than interior furniture – a design challenge that New Garden happily embraces.

Innovation: research and development are one of the cornerstones of New Garden. Our strength is our endless passion for seeking out new, natural-looking materials for modern garden furniture that defies all weathers.

Unmatched comfort: beautiful and comfortable? Sink down into our high-quality garden furniture and feel all your tensions melt away. A comfortable sitting experience is a high priority for us, as you'll find out for yourself.

Respect: New Garden is committed to maintaining ethical business practices and a respect for nature. We ensure for instance that the working conditions for our weavers in Indonesia are up to standard. We are also striving towards realizing our vision of making all our packaging eco-friendly. We're getting closer to this goal every day.
